100% Guaranteed Fitment

Cast Expert's unwavering commitment to 100% guaranteed fitment sets it apart in the alloy wheel industry. With a meticulous design approach and advanced engineering, each alloy wheel is crafted to seamlessly integrate with two- and three-wheelers, ensuring a perfect match for various vehicle models. This dedication to precise fitment not only enhances the visual appeal of the vehicles but also plays a pivotal role in optimizing performance, safety, and overall handling. Cast Expert is a trusted brand, delivering alloy wheels that not only meet but exceed customer expectations by providing a tailored fit that elevates the vehicles' functionality and aesthetics.

Our Vision

MKR Expert Castings vision is clear- We aim to revolutionise the two-wheeler alloy wheel industry with our innovative designs, unmatched quality and commitment to customer satisfaction. We will continue to push the boundaries of what's possible, leading the industry with our cutting edge products and services.

With our current facility of producing 50000 Alloy Wheels per month, we aim to increase our capacity to 150000 Alloy Wheels per moth in next 1 year, with our new state-of-the-art facility Of around 100000 square feet coming at Gannaur, district Sonipat, Haryana on National Highway 1, next to DICT (Delhi International Cargo Terminal).

Our mission

is to provide customer with the finest quality alloy rims that deliver superior performance, safety and style. We aim to revolutionize the two wheeler alloy wheel industry with our innovative design, unmatched quality and commitment to customer satisfaction with an unwavering commitment to innovation, quality and customer service, we strive to exceed your expectations and elevate your riding experience. As a forward thinking company, MKR Expert Castings is committed to sustainable practices. We have integrated eco friendly procedures throughout our manufacturing process. The aluminium alloys used in our rims are recyclable, making our products not just performance driven but also environmental friendly.

STD. ALLOY WHEEL SERIES FOR HERO
